## Presidents Report

- Meeting was called to order with 17 members present and 2 guests.
- I would like to thank John Artuso on behalf of the members for the excellent job that he did on the Christmas party. It was a great success.
- Doug Ireland was presented with the Leno SanVido award.
- Thanks to Tony for the great presentation at the Christmas party on the years activities.
- Shawn will be servicing the tractor again this year in preparation for the following season. Blair is to deliver it to Shawn's shop at his earliest convenience.
- The annual membership fee will remain the same as last year at \$125.00 and \$145.00 if paid after March 1st.
- Just a reminder for you to please renew your MAAC membership for the following year.
- Leon Lewis has provided us with an update on the noise levels at our field. So far we are well within acceptable limits. He has kept a detailed record of all aircraft tested and has recorded higher decibel readings from the traffic passing by then the aircraft at the field.
- Mike and Ted have volunteered to audit the books.
- On behalf of Jeff Peuker and myself we have appreciated all the support we have received over the past two years. I am sure that the support will continue for Glen Wilkinson and Frank Basso in their new capacity.
  
- Presentation by Mike Basso on new procedures at the field and his Great Planes Gee Bee.
