## Monthly Meeting Notes

Meeting was called to order by: Brian Nadalin

Approx 28 members were present and 2 guests.

Motion to adopt the April minutes by Paul Carpentier sec-by Harry Johnson.

## President's Report

Please welcome Paul and Dave who our guests today.

The fun fly date is June 7 with a rain date of June the 8<sup>th</sup>.

Lunch will take place between 12 and 1:30pm. We are planning two events the limbo and spot landing.

We are looking for Volunteers to help with the rolling of the field on May 24<sup>th</sup>. Any help would be appreciated.

Ollie Baker was presented with a clock in recognition of his years of service as a world war II vet.

The sun shade is to be purchased before the fun fly. We will organize a work party to help erect it. A charging station is in the works for the field. This will allow electric fliers a safe place to charge their batteries at the field. A solar panel is being installed to keep the charging station batteries up.

## General Discussion

Mike Brown brought in his scratch built F6F Hellcat. He has spent over 400hrs in the building of this plane. It weighs 40lbs and is powered by a zona motor. Mike has covered it in fibreglass cloth. This plane is truly a work of art. Most of the components were custom built by Mike himself.
