Monthly Meeting Notes

At 7:30 the meeting was called to order by Brian Nadalin with 22 members present. There was one guest, Evan, who video taped the presentation. The minutes from the January 6th/10 meeting were accepted by the members. 1st by Leon Lewis and 2nd by John Artuso.

President's Report

- Brian welcomed Evan to the meeting.
- Brian asked John Artuso for an update on the mall show. John reported that things have been finalized with the Stone Road Mall for Saturday March 13th/2010. John then passed around a form to the members so they could indicate what model or models they plan to display. Blair also mentioned that a "free flight voucher" will be handed out at the mall show to try and attract new members to the club.
- Brian mentioned that we need a new web master, as Paul Carpentier is no longer able to do this. Leon Lewis said he was interested and would talk to Paul to see what was involved with the task. Brian thanked Paul for all of his work on our website.
- Brian reminded everyone to make sure their MAAC insurance is current.

President's Report Cont'd

➤ Our new field director is Glen Wilkinson with Helmut Renken as assistant. Glen will be putting together a grass cutting and maintenance schedule for the upcoming season. This year we will be hiring a heavy-duty roller to bring our field back into shape. Brian thanked Rick and John for looking after our field last year.

➤ Brian discussed some upcoming event suggestions for the club. After a discussion the following events and dates were agreed on:

1. "Swap Meet Night", April 7th/10 meeting. Bring your surplus model stuff to swap with other members.
2. "Scale Demonstration day", Sunday July 11th/10 at the field. 12:00 noon to 3:00pm.
3. "Aerobatic Display", Sunday August 8th/10 at the field. 12:00 noon to 3:00pm.

Please put these dates in your calendar.

Presentation

➤ A video is available of Jeff's presentation on setting up a basic four channel model. Jeff covered servo set-up, prop balancing, CG, and control throws.

➤ Blair showed David Shulman's speed record video and members took turns flying the "G4" simulator on the big screen.

➤ Meeting adjourned at 9:00pm.
