Monthly Meeting Notes

➤ At 7:30 the meeting was called to order by Brian Nadalin with 24 members present. Our zone director Mr. Roy Rymer was absent but said he would attend our fun fly on June 5th 2010. The minutes from the May 5th meeting were approved by Leon Lewis first and second by John Artuso.

President's Report

➤ Brian reminded everyone to drive the speed limit at the field. He also asked members to ensure that their guests stay within the 10km speed limit when driving on the farm property.

➤ Fun fly discussion, please park facing down the drive so that the risk of driving on the bean field is minimized. Lunch will be served from 12 noon to 1:00pm. Tony Cabral reviewed the events, the pylon race, fuselage event and the three minute timed flight. Fun fly draw tickets will cost \$3.00 each or two for \$5.00 and there will be prizes for Ladies and Gentlemen.

➤ Brian discussed the idea of purchasing a Swisher tow along heavy duty grass cutter, since our lawn tractor is continually breaking drive belts this would allow us to continue cutting when the tractor is down. A lively discussion ensued and the following two motions were tabled.

1) Look into prices to purchase a new lawn tractor.

-motion tabled by John Artuso

-All were in favour

- Blair said he would pick up the current tractor and take it to "Ed Stewarts" for a service evaluation. If Ed's can fix the problem for less than \$500 we will have it repaired. Normally the club executive can only spend \$200 without a club vote. However authorization was given to increase this to \$500 for this only.
- Jeff Peuker gave the treasurer's report. Currently we have 44 full paid members, 4 junior and 7 honouree.

Presentation

- Blair put on a slideshow showing the pictures he took at "Top Gun" in April at Lake Land, Florida.
- Meeting was adjourned at 8:50pm
