Monthly Meeting Notes

Meeting called to order at 8:00 p.m. by Brian Nadalin with 29 members present. Brian welcomed Bruce Farr to the meeting. Brian also introduced two new members, Glen Morrison who has been a member in the past and Keir Dennis. The minutes of the February meeting were accepted first by Leon Lewis and second by Frank Basso.

President's Report

- Brian reminded everyone to be sure that your MAAC is current for 2011.
- Brian also reminded that your club membership is due by March 31, 2011.
- Brian said we will be opening the field in April as soon as weather permits. Glen Wilkinson, Sean, Leon, Doug, Jeff, Brian, Hans, Mark and Blair said they can help with this task when the time comes.
- Glen Wilkinson passed around the grass cutting schedule again and it got filled up completely. Thanks to all who signed up to do grass cutting.
- John Artuso reported on the mall show plans. He reported that we have 19 models to display and 4 simulators.

(July and August excluded)

At Evergreen Seniors Center, 683 Woolwich, Guelph, Ontario

50/50 Draw Winner:
Peter Robinson \$ 48.00

President's Report Cont'd

- Brian reported that our Fun Fly is on Saturday June 4th. Harry and Glen volunteered to be our cooks. Tony Cabral went over the blind fold ground race rules. Mark Urban is making the model for the event. Keir Dennis and Micheal Basso volunteered to help with events. Blair and Tamara will buy the food and provide PA system.
- Brian gave Leon the noise record binder. Leon will be measuring the DB output from our models and keeping a record of it.
- Brian mentioned to all members and especially the new members to please observe the 10km/h speed limit on farm property. Also we will have some new signage and will be posting the turbine engine rules.
- Bruce asked members not to make "U" turns on the lane up to the field because it can cause crop damage if you drive onto the field.
- Meeting adjourned at 8:50 by Doug Ireland and Leon Lewis.

Presentation

- Blair presented his 1/3 scale BAE Hawk MK66. This kit is from "Tomahawk Design", Germany. The engine is 160 Newtons (36 lbs). Its dry weight is 44 lbs. Wing span is 8'10", Length is 11' 5". Functioning gear, brakes, and lights. The model will be taken to "Weak Signals" in April.
