### Monthly Meeting Notes

Meeting called to order at 7:30 P.M. By Brian Nadalin. 22 members present. June minutes were accepted. Brian welcomed two new members to the meeting, Rob Gellner and his son Timothy Gellner.

### President's Report

- Brian informed everyone that Saturday August 22<sup>nd</sup> is the date of the corn roast. The start time is 5:00 P.M.
- Brian mentioned that the noise from our models will be measured and recorded. This is a precaution, in case we have a noise complaint. Leon Lewis has volunteered lead on this project. Blair mentioned that he had been in touch with MAAC regarding noise levels. MAAC said that there is no mandated noise restriction in place. It is up to each club to have their own set of guidelines.
- Brian asked members to let Blair and Harry know how many guests they were bringing to the fun fly on Saturday June 6<sup>th</sup> so that the right amount of food could be prepared. (The fun fly was well attended over 100 people coming and going. A good time was had by all). Tony explained the events he had organized.
- A) Black-Jack (21) circles on the field. Each competitor gets three tries to land in their circles getting points. Closest to 21 wins.
- B) An inverted pass across the field will be judged.
